

**Resolution No. 2023-24-02
of the Mendocino Local Agency Formation Commission**

**Conditionally Approving the City of Ukiah Annexation of City-owned
Properties B (File No. A-2021-01b) and Finding of Exemption Pursuant to the
California Environmental Quality Act**

WHEREAS, the Local Agency Formation Commission of Mendocino County, hereinafter referred to as the “Commission”, administers California Government Code Section 56000 et. seq., known as the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000; and

WHEREAS, on February 22, 2021, the City of Ukiah (Ukiah or City) City Council adopted Resolution No. 2020-61 to initiate a proposed annexation of City-owned properties, and on February 25, 2022, the Ukiah City Council adopted Resolution No. 2022-04 to revise the application and remove parcels 180-120-15 & 16, which were already located within the City limits (File No. A-2021-01); and

WHEREAS, the proposed change of organization includes annexation of one City-owned property (parcel 178-130-01) of 300-acres that is a non-contiguous area under GOV § 56742; and

WHEREAS, the proposed annexation area is located within the City’s SOI boundary adopted by the Commission on December 19, 2022; and

WHEREAS, the proposed annexation is currently used for the municipal purpose of open space for conservation and continued post-closure monitoring and maintaining of the former Vichy Hills Landfill pursuant to Government Code Section 56742; and

WHEREAS, the purpose of the proposal is to align City land ownership with City governmental controls and reduce the City’s tax burden; and

WHEREAS, the City applied a Public General Plan land use designation and Public Facilities Rezoning to the proposed annexation area; and

WHEREAS, the proposal meets the specified criteria to allow the Commission to make determinations on the proposal without notice, hearing, and protest proceedings pursuant to GOV § 56662(a), and therefore the Executive Officer was not required to give notice of a public hearing for Commission consideration of the proposed annexation; and

WHEREAS, a Certificate of Filing was issued on July 18, 2023 indicating receipt of a complete application pursuant to California Government Code Section 56658; and

WHEREAS, the proposal meets the statutory criteria outlined in LAFCo law and adopted local policy requirements; and

WHEREAS, the Executive Officer’s report, which included factors for consideration required under California Government Code Section 56668 and recommendations on the proposal, was presented to the Commission in the manner provided by law and adopted local policy; and

WHEREAS, the Commission heard and fully considered all the testimony and evidence presented at a public meeting on the proposal on September 11, 2023; and

WHEREAS, the Commission has reviewed and considered this resolution and hereby finds that it accurately sets forth the intentions of the Commission with respect to the proposal.

NOW, THEREFORE, the Mendocino Local Agency Formation Commission does hereby RESOLVE, DETERMINE, and ORDER as follows:

1. The Commission finds the application is exempt from further review under the California Environmental Quality Act under the Class 20 Exemption pursuant to Title 14 of the California Code of Regulations (14 CCR) § 15320, and approves the Notice of Exemption for filing. Class 20 provides a categorical exemption for changes in organization of local agencies that do not change the geographical area in which previously existing powers are exercised. The proposed annexation is a change of organization identified in GOV § 56021. The purpose of the jurisdictional boundary change is to align City land ownership with City governmental controls and reduce the City's tax burden. The Class 20 exemption is applicable when there is no change in the existing provision of services. No new development, changes in use, expansion of existing uses, or new or enhanced provision of public services are proposed or anticipated post-annexation because the City-owned property is improved with public utilities and proposed for continued open space use. The proposed annexation is not anticipated to result in construction or other physical alteration of the environment because the existing land uses and public services are proposed to remain the same. There is no evidence presented of unusual circumstances that might cause a significant effect on the environment (Title 14 CCR § 15300.2(c)).
2. The City of Ukiah Annexation of City-owned Properties B, including annexation area 1, is conditionally approved, subject to the following terms and conditions.
 - a) The boundaries of annexation area 1 shall be defined by the map depicted in Exhibit "A" and written geographic description depicted in Exhibit "B", attached hereto and incorporated herein by reference.
3. The application is assigned the following distinctive short-term designation: "City of Ukiah Annexation of City-owned Properties B (File No. A-2021-01b)".
4. The annexation area is uninhabited, the proposal has 100% landowner consent, and the conducting authority (protest) proceedings are hereby waived.
5. The effective date of the annexation shall be the date of the filing of the Certificate of Completion for the proposal. The Certificate of Completion shall not be filed until all charges assessed and fees due to the Commission have been paid by the applicant and all materials required for final processing of the proposal have been sufficiently prepared and submitted.
6. Any work commenced or costs incurred by the City prior to satisfying all conditions of this approval, and within the 30-day Reconsideration Period and CEQA statute of limitations timeframe, are completed at the agency's own risk.
7. The Clerk of the Commission is designated as the custodian of the documents and other materials that constitute the record of the proceedings upon which the Commission's decision herein is based. These documents may be found at the office of the Clerk of the Commission, 200 South School Street, Ukiah, CA 95482.
