D.	Justification				
1)	Is the subject territory located within the agency's Sphere of Influence?				
	□ Yes □ No				
2)	Is the reason for the application a threat to the health and safety of the public or the affected residents?  □ Yes - Provide documentation from the Public Health Officer.				
	□ No - Explain the reason for the application at this time.				
3)	Explain why a jurisdictional change (e.g., annexation) is not being considered at this time as an alternative to providing services outside the agency's boundaries.				
4)	Is annexation of the subject territory or affected property anticipated in the near future?  ☐ Yes ☐ No				
	Please describe the agency's plans and timelines, or provide other relevant information.				
E.	Service Information				
1)	Describe how the agency would provide the proposed new or extended service to the subject territory. Please identify any onsite and offsite infrastructure or facility improvements, any permits required from regulatory agencies, and associated funding requirements to provide service to the subject territory.				
2)	If the proposed new or extended service involves water or sewer, identify the anticipated demand in terms of use (i.e., gallons, acre-feet) and frequency of delivery (per day/month/etc.) associated with serving the subject territory. For extended service, please estimate the difference in comparison to existing demand.				
- 1	Describe compensation for the proposed service (i.e., fee/household, fee/truck/tank, etc.).				
3)					

What services, if any, are currently provided to the subject territory?  Are there any alternate service providers or other service options available to the subject territory?				
Identify the subject territory's land use designation, zoning, and minimum parcel density requirements and clarify whether the proposed provision of service(s) will increase onsite development potential or be growth inducing for the area.				
Are there any proposed or approved, but not yet built, development projects involving the subject territory?  ☐ Yes ☐ No  If yes, describe the proposed projects or land use entitlements and the timeline for implementation.				
The Commission's action regarding this request by the agency to provide new or extended services outside its jurisdictional boundary is subject to the requirements of the California Environmental Quality Act (CEQA). Has the agency conducted any CEQA reviews for any projects associated with this application?  Yes No  If yes, please provide copies of the environmental documentation, including the Notice of Exemption or Notice of Determination and proof of payment of applicable California Department of Fish & Wildlife fees.				

### Fee Agreement and Voluntary Indemnification Agreement

All applications must include a signed <u>Fee Agreement and Indemnification</u> form, which is located at <u>www.mendolafco.org/application-materials</u>.

#### **Fees**

Per the Mendocino LAFCo <u>Fee Schedule</u>, deposits toward the actual cost of processing proposals must be paid at the time an application is submitted. All deposits are initial payments toward the actual costs of processing proposals, including staff time and materials (e.g., noticing, postage, copying). In signing the Fee Agreement and Voluntary Indemnification, the applicant consents to reimburse LAFCo for all costs incurred in processing, including pre-application assistance.

#### **CERTIFICATION**

The undersigned hereby certifies that all LAFCo filing requirements will be met and that the statements made in this application are complete and accurate to the best of my knowledge.
